

Advisory Board Network

Assistance to Entrepreneurs

The Lincoln Entrepreneur Growth Group (LEGG) is made up of government, nonprofit and for profit professionals who are committed to supporting and helping entrepreneurs and small business owners grow their companies to their fullest potential.

The experts serving on the board are providing their expertise to help you grow your business through planning, problem-solving, marketing planning, employee development, innovation, mentoring, coaching, strategy, operational management and more. A combination of free advisory services and paid advisory services will give you the expertise you need to not only grow your business, but sustain it and manage it successfully. Determining what is best for you is just a phone call away.

Contact Rhonda Hunter, your Entrepreneur Growth Specialist, 704-732-1511 x 1 for assistance and referrals to the appropriate service professionals and experts who can help you take your business to its next level. Why spend your valuable time searching and wondering who to contact. Save time, uncertainty and hassle by making one call....to your one-stop resource for your business' "next level" growth needs.
