Assistance to Entrepreneurs

If you are an entrepreneur or business owner in Lincoln County ready to take your business to its next level, you are in the right place.

Lincoln Entrepreneur Growth Group (LEGG) is an advisory network made up of multi-talented service professionals from government, non-profit and for profit organizations that are committed to supporting and helping entrepreneurs and small business owners grow their companies to their fullest potential. Individually, the advisory members provide pertinent information

and resources to businesses on a regular basis.

LEGG was formed to be a collaborative effort that focuses on giving entrepreneurs the kick-start they need to grow their business to the next level and then sustain their growth initiatives through sound operational and economically viable practices.

Through LEGG's advisory network, you can collectively engage expertise where it is most needed and critical to your business enterprise's success, specifically to your needs or challenges. LEGG has taken the guesswork out of identifying the resources you may need.

We have a strong local referral network and will provide you access to appropriate professional business services in areas such as finance, legal and accounting, marketing, human resources and the list continues to expand as we proactively seek the best in their fields to serve Lincoln County businesses wanting to grow.

Access to LEGG's referral services and initial discovery counseling to determine your eligibility into the Entrepreneur Growth program is provided at no charge to businesses seeking assistance. More extensive support is offered at clearly defined and affordable rates, where applicable, by advisory member and service partners.
