## RIBBON CUTTING ~GRAND OPENING

JUNE 22nd-2023

220 EAST MAIN STREET  
LINCOLN

### **Backwoods Boutique - Downtown - 220 East Main Street**

Owner **Kasey Ingle**, a woman owned business opened **6-22-23**. She also has a second location in Vale. She was ready to expand her business and had always dreamed of owning a store downtown. Within a short month Kasey put her touch on the interior and moved in her inventory and designed the interior showcasing her products which turned out spectacular. What really made me admire her even more was that she invited other entrepreneurs to come and offer services to her customers such as Fairy Hair by Caroline putting fairy hair or feathers in your hair. Spray Tan by Liz who offered spray tans by appointment and The Wellness Concierge who offer B12 shots to energize, improve your mood, energy, and Metabolism and Sleep.
