Vittles Restaurant - 331 East Main Street - Downtown

There are three new owners, **Larry Carpenter, Kurt Houser, and Joey Mathis** along with the support of their spouses. They re-opened Vittles with a Ribbon Cutting on **6-8-23** and was super fun with a large crowd who enjoyed a dunking booth of the new owners or spin the wheel for a take-home prize. They have maintained the menu for the most part but have added their spin on what their favorites are. They have increased the hours of operations and one of the few open downtown on Monday's.
